

MCEH CoIIN Change Package New Jersey State Team

Key:

- The changes listed here are the changes that the **New Jersey** state team decided to test throughout the CoIIN. *This is not the complete MCEH CoIIN Change Package.*
- The majority of the changes that New Jersey decided to test have been ranked by “leverage” from 1 (low leverage, not very important) to 5 (high leverage, very important). You will find these rankings in the third, right-most column of the New Jersey State Team MCEH CoIIN Change Package.
- Under each Primary Driver heading there is a short “recommendations” section that is specific to that primary driver. This data was gathered at the MCEH CoIIN Harvest on 5/5/2020.
- **Text in red highlights specific activities/adaptations to each MCEH CoIIN change idea that New Jersey performed.**
